Session Goals

By the end of this session, you will be able to:

- **Create** a Sakai course site
- **Select** a suitable template for your course plans
- **Revise** your Sakai course site
What is a template?

- A template is a selection of tools and/or web pages
- Includes commonly-used tools
- Incorporates best practices of student-centered course site design
- Outlines the basic structure of your course
- Makes it easier to organize your site and share important practical information
- Completely customizable
